## Capabilities Statement

---

WASCON, Incorporated was founded by Gerald and Jerry Cravins in 1979 in Livingston, TN to supply service to water and wastewater customers located throughout the United States. Once the business started growing and the need for service locally grew, WASCON focused only on the cities and utilities in Tennessee and Kentucky. From the beginning, Gerald and Jerry stressed putting the customer first as the foundation for the business. As a result of this foundation, WASCON has grown into the standard
